

Green Impact

Printing and photocopying

We know that a lot of you are concerned about the amount of paper that is used in the Department, and the Green Impact team are too.

On average, the photocopier in Reception prints over 60,000 pages per month, going through almost 25 boxes of A4 paper.

We know that a lot of this will eventually just end up in the recycling bin – this is the wastage from just one term, from just one photocopier!

The Green Impact team want to reduce the amount of paper thrown away in the Department, and we propose that lecture handouts and meeting papers are available electronically, and only printed on request.

Please take our survey by going to <https://www.surveymonkey.co.uk/r/H6BFTRK> to tell us what you think of this proposal – we will feed back next time.

University Travel Plan

The University's Travel Plan promotes viable and accessible sustainable travel options for staff and students for travel to work, travel at work and travel for work to help reduce carbon emissions.

Using the bus in and around Cambridge

- You know the saying, “you wait ages for a bus... then three come along at once”? You don't have to worry about that problem anymore!
Visit <http://www.cambridgeshirebus.info/> for live bus time updates at your desk, or download the MyBusTrip app for your phone or tablet from the App Store or GooglePlay.
- Don't forget that the Stagecoach Uni 4 bus runs from the West Cambridge site to Addenbrooke's via the City Centre, and costs just £1 per journey for University Card holders.

You can view the full travel plan on the University Website:

<http://www.environment.admin.cam.ac.uk/what-are-we-doing/travel/policy-guidance>

Survey on Recycling for Undergraduate Students

The Cambridge Institute for Sustainability Leadership are examining the links between undergraduate student's attitudes and behaviours with respect to recycling.

You can take their survey here: <https://www.surveymonkey.com/r/9NJ6266>
